GOVERNING BODY

The Regional Executive Committee (EC) functions as the body responsible for the governance and day to day running of the Party. It meets every month and consists of the Party Leader, the Party Deputy Leader, the Party Chair, the Party Treasurer, plus nine other members elected at each Annual General Meeting.

The Regional EC establishes Executive Steering Groups in key areas, which act as points of contact with officers of Constituency and Local Groups.

PARTY OFFICERS

The Party Leader and Deputy Leader are elected by the complete membership for a four-year term. The Party Chair is elected for a one-year term. The Party Leader, the figurehead and principal spokesperson for the Party, sits on all the main committees, and is centrally involved in shaping the strategic direction of the Party. The Deputy Leader, as well as being a figurehead and spokesperson in his/her own right, deputises for the Party Leader when necessary. The Party Chair chairs the Annual General Meeting, the Executive Committee, and the Electoral Task Force and is the registered party nominating officer with the Electoral Commission Northern Ireland.

The Treasurer of the Green Party Northern Ireland is elected annually at the Annual General Meeting and is responsible for preparation and submission of information to the Electoral Committee in accordance with the PPERA 2000. They are responsible for keeping proper accounting records and reporting to the EC and membership on financial matters.

LOCAL STRUCTURES

The Constituency Group consists of all the Party members living within that specific constituency.

It is the Constituency Groups which mainly organise meetings and events, select candidates for their area, support and canvass for their candidates, and promote the Party and its policies locally.

Each Constituency Group elects local group officers such as Chair, Secretary, Treasurer for a one-year term.

SCOPE OF THE FINANCIAL STATEMENTS

The financial statements reflect the transactions of the Green Party Northern Ireland Office only. Local groups prepare annual accounts for their group members, but these accounts are not consolidated with Green Party Northern Ireland financial statements.

EXECUTIVE COMMITTEE'S REPORT
for the year ended 31 December 2024

The Regional Executive Committee is pleased to present the financial statements of the Green Party Northern Ireland for the year ended 31 December 2024.

PRINCIPAL ACTIVITY DURING THE YEAR

The principal activity of the Regional Group during the year was to further the aims and objectives of the Green Party/Comhaontas Glas in the region of Northern Ireland. In particular, the Regional Group is charged with creating a measurable strategic plan to maximise electoral success within the Region.

RESULTS FOR THE YEAR

The detailed results for the year are set out in the income and expenditure account.

The Party recorded a net surplus for the year of £5,110 (2023: £5,470) and, together with the retained revenue reserves brought forward from the previous year of £50,709 leaves a surplus to carry forward to 2025 of £55,819.

RISKS AND UNCERTAINTIES

There are no significant risks or uncertainties relating to the Party's activities.

EVENTS AFTER THE BALANCE SHEET DATE

There have been no events after the end of the reporting year that require any adjustment to, or additional disclosure in, the 2024 financial statements.

GOING CONCERN

Based on the results for the year and the year-end financial position, the Regional EC believes that the Party has adequate resources to continue in operational existence for the foreseeable future (at least twelve months from the date of approval of the financial statements for the year ended 31 December 2024).

VOLUNTEERS

Green Party Northern Ireland is dependent on a network of volunteers for its activities. It is not possible to place a monetary value on this voluntary effort, but it is essential to enable the Party to achieve its objectives.

ACCOUNTING RECORDS

The measures taken by the Regional EC regarding the keeping of accounting records are the implementation of necessary policies and procedures for recording transactions, ensuring the Party Treasurer has appropriate expertise and the provision of adequate resources to the finance function.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GREEN PARTY NORTHERN IRELAND

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Green Party Northern Ireland for the year ended 31 December 2024 which comprise the Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes to the financial statements, including significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is applicable Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in the United Kingdom by the Financial Reporting Council.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Party as at 31 December 2024 and of its surplus for the year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Party in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Regional Executive's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Party's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Regional Executive with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GREEN PARTY NORTHERN IRELAND (*Continued*)

Other information

The Regional Executive Committee is responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude this gives rise to a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Other matters on which we are required to report:

Based on the work undertaken in the course of the audit, we report that:

- we have obtained all the information and explanations which we consider necessary for the purpose of our audit;
- in our opinion, the information given in the Executive Committee's Report is consistent with the financial statements;
- in our opinion the accounting records of the Party were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

RESPECTIVE RESPONSIBILITIES

Respective responsibilities of Regional Executive Committee and the Responsible Officer for the financial statements

The responsibilities of the Responsible Officer regarding the preparation of the financial statements and the keeping of proper and usual books of account of the Party are set out in the Statement of Responsible Officer's responsibilities.

As explained more fully in the Statement of Regional Executive Committee's Responsibilities set out on page 8, the Regional Executive Committee is responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework and for being satisfied that they give a true and fair view, and for such internal control as is determined to be necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
GREEN PARTY NORTHERN IRELAND (*Continued*)**

In preparing the financial statements, the Regional Executive Committee is responsible for assessing the Party's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intends to liquidate the Party or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is set out in the Appendix to our Auditor's Report. The description forms part of our Auditor's Report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Party's members, as a body, in accordance with the agreed scope of our engagement. Our audit work has been undertaken so that we might state to the Party's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party and the Party's members, as a body, for our audit work, for this report, or for the opinions we have formed.

APPENDIX TO INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GREEN PARTY NORTHERN IRELAND

Further information regarding the scope of our responsibilities as auditors

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Party's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee.
- Conclude on the appropriateness of the Executive Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Party's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS
for the year ended 31 December 2024

1. ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements for the year ended 31 December 2024 have been prepared in accordance with Financial Reporting Standard FRS 102 "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland".

The financial statements are prepared in pound sterling (£) which is also the functional currency of the Party.

(b) Scope of the financial statements

The financial statements reflect the transactions of the Green Party Northern Ireland Regional Central Party only. Local constituency groups in Northern Ireland prepare annual accounts for their group members, but these accounts are not consolidated within the Party's annual financial statements.

(c) Income

Income arises principally from voluntary donations, members' subscriptions, fundraising and interest income.

Income is accounted for when the Party has entitlement, there is certainty of receipt and the amount is measurable. Membership subscriptions are taken to revenue in the financial year in which they are received.

(d) Expenditure

Expenditure is accounted for on an accruals basis.

(e) Taxation

A provision for taxation is not required as any surplus arising is not liable to taxation.

(f) Financial instruments

Financial assets and liabilities are recognised only when the organisation becomes a party to the contractual provisions of the instrument. They are recognised initially at cost, which is measured at the transaction price including material transaction costs. Financial assets and liabilities are offset when the Party currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

(i) Trade and other debtors:

Trade and other debtors are initially recognised at transaction price (including transaction costs) less impairment losses for bad and doubtful debts.

(ii) Trade and other creditors:

Trade and other creditors are initially recognised at transaction price (including transaction costs).

NOTES TO THE FINANCIAL STATEMENTS
for the year ended 31 December 2024 (*Continued*)

1. ACCOUNTING POLICIES (*Continued*)

(g) Significant accounting judgements and key sources of estimation uncertainty

In the application of the Party's accounting policies which are described above, the Responsible Officer is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The Responsible Officer does not consider that there are any critical judgements or sources of estimation uncertainty except for those set out in the accounting policies above.
