Did receipt issue?	YES for €200 to Heronwell Ltd	Donor is an Irish Citizen?	Irish company
Name of person who issued receipt	Grace Boland		
Additional information	<p>On 20 November 2024, I received a number of transfers into my political donations account for €200 each. The only narrative reference for each was "Donation" and, at the time, I had no knowledge of who they were from. When I contacted my bank to identify who effected the transactions, my bank responded and advised that half of the transfers were from one company and half from another company. I then attempted to contact each company, seeking to establish both a contact in each and also to ascertain whether these two companies were connected. Eventually, I did establish that they were connected companies and I requested bank account numbers for each company, when I received these, I immediately transferred the excess donations back to each of the companies and issued a receipt for one €200 donation to Heronwell Ltd.</p> <p>The process to establish the facts naturally took some time but was acted upon and the excess donation returned as soon as the bank account details were received on 15 January 2025.</p>
